# TESTIMONIALS

We're pretty proud of what we do, but don't just take our word for it! Here are a few reviews from clients that have used our catering services.

## CLIENT 1

“Best hummus and tabbouleh ever. The tabbouleh is truly authentic with lots of parsley. Chicken shawarma was delicious — tender chicken pieces and very fresh cucumbers and tomatoes.”

## CLIENT 2

“The Catboat team was responsive and accommodating with our menu requests about dietary restrictions. Their menu is very adaptable and worked for our gluten-free and vegan family members”

## CLIENT 3

“We hosted a post-film screening event in the Catboat shop and were blown away by the level of service and the quality of the small bites. Thank you!”
